

NATURAL DISASTERS—WHAT TO EXPECT—HOW TO LIMIT RISKS

Wednesday, February 7, 2018
Washington Athletic Club, Seattle

Schedule of Events

This program will provide those attending with the current trends and risks insurance professionals and businesses face in the wake of a natural disaster. We will discuss natural disaster risks in the Pacific Northwest; talk about how to best prepare your business; and the type of insurance available to protect from risks associated with natural disasters.
